 Psychology Undergraduate Degree  
Unochapecó – Chapecó, Brazil  
2009 – 2014

### About Me

The love for constant learning, the challenge to keep up with the new and to belong to an amazing community such as the dev one, are the main reasons I decided to start my career as a web developer. I am my best version when working with people, sharing and learning together. Seeing the brighter side of things, learning with mistakes and being empathetic towards others, always.
