**General English Program (C2)**
*Embassy - San Francisco, USA*
2015

**Psychology Undergraduate Degree**
*Unochapecó - Chapecó, Brazil*
2009 - 2014

## About Me

The love for constant learning, the challenge to keep up with the new and to belong to the amazing dev community are the main reasons I decided to start my career as a frontend developer. I am my best version when working with people, exchanging ideas and finding solutions as a team.
